El formato 30x90 pasta blanca rectificado, apto para colocar tanto horizontal como verticalmente, presenta interesantes opciones de decoración. Una muestra de ello es el relieve decorativo TWIN, con el que podremos crear zocoladas si colocamos la pieza en vertical o crear muros con efectos 3D, si elegimos colocar la pieza horizontalmente.

*The 30 x 90 rectified white tiled format, suitable for both horizontal and vertical installation, brings us a number of interesting decoration options. An example of this is the decorative TWIN embossing, with which we can create zocoladas if we tile the piece vertically or create walls with a 3-D effect if we tile the piece horizontally.*

**La colección · The collection**

Las vetas son las protagonistas de este mármol y por este motivo se refuerzan en esta colección hasta lograr, con las nuevas tecnologías de impresión digital, conferir a la serie un distintivo acabado brillo. La gama de colores se compone de cuatro tonalidades Ice, Champagne, Grey y Taupe. Todos ellos representados en 3 formatos, 45x90, 60x60 y 30x90.

Los formatos 45x90 y 60x60 ambos porcelánicos rectificadas y lapados desprenden un efecto brillo sobre brillo, creando así espacios llenos de luz, elegancia y diseño.
